City dwellers often need guidance to master the fine art of finding peace, and this is just the place to practice, surrounded by rolling hills and lapping waters. Built in the unique Mexican adobe style, the property cuts a striking figure on the banks of the picturesque Carlton River. With sun-drenched outdoor areas, extensive grounds and plenty of serenity this is the perfect spot to really unwind.

The funky interiors explore the Santa Fe style further with warm tones and water views.

Comfortable beds and deep spa baths guarantee well-rested travellers. With its open fire, the inviting lounge is perfect for cool evenings, and the balcony and waterside deck are great options for sunny breakfasts. And for those who cannot bear the thought of being away from Rover – your pampered pooch is welcome here.

Located midway between Hobart and Port Arthur, this region is steeped in convict history and close to natural attractions. Refreshing beaches are just minutes away, top fishing is at your doorstep and kayaking is a great sunrise option. Just 25 minutes from Hobart airport, Carlton River is also ideal for mini fly-in fly-out breaks or longer stays.

**Location:** 40km or 30 minutes east of Hobart.
